

Georgia Femme Dommes

Here are your hostesses for the Georgia Femme Domme events, held several times throughout the year at 1763...

Miss Gee

Miss Gee is a Lesbian lifestyle dominant, current member of the North Georgia M/s D/s (Master/Mistress & slave, Dominant & submissive) community and leads an educational group. Some have described her as Leather and Levis with lace mixed in. Master & Slave power exchange, protocol and ritual feed her soul. She has been a life long athlete and brings that level of commitment and energy to her scenes. Kinetic movement is incorporated into her unique style of flogging and all forms of impact play. Miss Gee loves the power exchange of a scene with chemistry and passion that results in the bottom flying into space. Trivia Question: Why does Miss Gee do impact play with both hands when she isn't ambidextrous?

Ms Gee also teaches a variety of classes, including Flogging 101, Intermediate Power Flogging, Freestyle Spanking and Punching, and DragonTails. Expect to see some of these at the Georgia Femme Domme events.

MsDDom

Raised in a matriarchal, extended family structure, MsDDom has been involved in Female Led Relationships long before she knew it was categorized as a kink-related relationship dynamic. In 2000, she began a journey of personal studies in Domination and submission as it relates to BDSM.

An active lifestyler in the Atlanta kink and fetish community, MsDDom is the leader and founder of Black FemDoms Atlanta, the silent co-organizer of Male Sub's Munch, and is a co-leader and founding member of the Black Atlanta Munch. She casually mentors new and curious lifestylers by answering questions and offering SSC (Safe, Sane, Consensual) and RACK (Risk Aware Consensual Kink) advice where appropriate.

MsDDom is married to her slave-husband, CreamDream, who is also a very active participant in the Atlanta kink and fetish community and leader of the Male Sub's Munch.

Goddessmw

Goddessmw is new to the Atlanta kink community, despite being a second generation Domme. She is statuesque in presence and possesses a wicked sense of humor. This is captured in her motto, " I CAN, therefore, you WILL." Goddessmw is a heterosexual Domina who enjoys domestic servitude. She is often described as sensual with an unexpected twist of sadism. Goddessmw is a mentee of MsDDom and an active member of BFD (Black FemDoms) and B.A.M. (Black Atlanta Munch).
